However, within that framework, the Board and the Members must have the ability to respond to unforeseen problems and changes in circumstances, conditions, needs, desires, trends and technology that inevitably will affect the Project, its Owners and Occupants.

3.2 **Owners' Acknowledgment and Notice to Purchaser.** All Owners are given notice that use of their Unit may be limited by Rules and Regulations as they may be amended, expanded and otherwise modified hereunder. Each Owner, by acceptance of a deed for their Unit, acknowledges that the use and enjoyment and marketability of his or her Unit can be affected by this Declaration and the other Governing Documents and that the Governing Documents may change from time to time. All purchasers are on notice that changes may have been adopted by the Association that are not recorded in the Public Records. Copies of the current Rules and Regulations or any other Governing Documents may be obtained from the Association, or if no Association has yet been formed, from the Declarant.

Furthermore, each Unit is subject to a Workforce Ownership Deed Restriction, which, among other things, restricts the occupancy and use of each Unit and places limitations on the appreciation and

resale price of each Unit. Each Owner and Occupant of a Unit acknowledges that he or she has reviewed the Workforce Ownership Deed Restriction in its entirety and has been given the opportunity to seek legal counsel to review the same.

3.3 **Estate of Owner.** The Property is hereby divided into Units, each consisting of a separate interest in a Unit and an undivided interest in common in the Common Elements in accordance with the Plat which sets forth the General Common Elements and any Limited Common Elements appurtenant to each Unit. Each such Unit shall have an equal percentage of ownership interest in the Common Elements for purposes of taxes, assessments and other charges under Wyoming Statute Section 34-20-104(a). Such undivided interests in the Common Elements are hereby declared to be appurtenant to the respective Units.

3.4 **Property and Units.** Each Owner shall be entitled to an equal percentage of undivided interest in and the nonexclusive right to use, access and enjoy the Common Elements appurtenant to each Unit, and the exclusive right to use any Limited Common Elements appurtenant to its specific Unit, as designated on the Plat or elsewhere in the Governing Document.

3.5 **Use of Property and Units; General Common Elements Maintenance.**

(a) The Units may be used for residential purposes only. No commercial, industrial or other non-residential use shall be permitted in a Unit with the exception of a "home business" use, provided the "home business" is (1) authorized by the Town of Jackson Land Development Regulations and the Workforce Ownership Deed Restriction, (2) contained wholly within the Unit, (3) no employees regularly work within the Unit, (4) no clients or customers regularly visit the Unit, (5) no commercial deliveries (other than UPS, Fed Ex and the like) are made to the Unit, (6) no advertising is made upon the Unit and (7) the activity does not create a nuisance or adversely impact the other Unit Owners or their Occupants, as determined in the sole discretion of the Declarant.

All structural modifications to a Unit shall be prepared and approved by an architect or engineer licensed in the State of Wyoming. Any exterior displays or decorations on a Building or a Unit, with the exception of signs which are addressed separately herein, must be approved in writing by the Declarant. This Section shall not apply to the Declarant.

3.6 **Declarant's Power over the General Common Elements.** The Declarant shall have the following rights with regard to the General Common Elements:

minerals, rocks, stones, gravel, sand, top soil, or earth. Nothing contained herein shall be construed to limit the rights of the owner of a mineral interest severed from the surface of any portion of the Property prior to the recording of this Declaration and nothing herein shall prevent the Declarant or an Owner from moving dirt, gravel rocks or other soils necessary for the development of their respective properties.

3.8 **Unsightliness; Refuse.** Owners must keep their Units and those Limited Common Elements which are designated for their use in a good, clean, safe and sanitary condition. Owners shall promptly notify the Declarant or Association of any need for maintenance, repair or replacement of the Common Elements, or any portion thereof. Refuse, garbage and trash shall be kept at all times in a covered container, and any such container shall be kept within an enclosed structure appropriately screened from view.

3.9 **Parking; Guest Parking; Storage.**

(a) Units # 101, 102, 103, 104, 201, 202, 203, 204, 401, 402, 403, and 404 have been provided 2 enclosed parking spaces and 1 outdoor parking space as shown on the Plat. Units # 301, 302, 303, and 304 have been provided 2 enclosed parking spaces as shown on the Plat. All vehicles utilizing the LCE-Parking area must fit within the designated parking space and not extend beyond its boundaries. A visitor parking area with 3 visitor parking spaces has been provided on the Property and is a General Common Element. Any visitor parking areas designated within the Property may be used only for short-term parking of the vehicles of guests and invitees of the Owners. The Board may establish rules for the use of the guest parking spaces.

(b) No boats, trailers, buses, campers, snowmobiles, ATVs, or inoperable or abandoned vehicles ("Prohibited Vehicles") shall be parked or stored in or upon the LCE-Parking or any visitor parking area for more than 72 hours. If the Board determines that an Owner or Occupant has violated this section, the Board shall deliver notice to the vehicle owner (if such owner can reasonably be ascertained) or place notice in a conspicuous place on the vehicle (if the owner cannot be ascertained), and if the offending vehicle or piece of equipment is not removed within 48 hours, the Board shall have the right to cause the vehicle to be removed or stored, at the sole expense of the Owner of the Unit driveway on which the vehicle is located, and to enter upon an Owner's Unit for such purpose, all without liability on the part of the Board. An "abandoned or inoperable vehicle" shall mean any motorized vehicle that does not display a current valid motor vehicle license and registration tag or that does not have an operable propulsion system within the vehicle.

3.10 **Signs.** No signs whatsoever, including, but without limitation, commercial, political and similar, visible from neighboring Units, shall be erected or maintained upon any portion of the Building (including decks), except: (1) Standardized unit number signs to be installed by Declarant outside the entrance of each Unit; and (2) one "For Sale" sign of reasonable proportions. The Board or its designee shall have the right to enter a Unit and remove any sign in violation of this Section and such action shall not be deemed a trespass. The Board shall not be responsible for any damage done to a Unit, the Building or the sign in removing the non-conforming sign, and all costs of removing and caring for the non-conforming sign as incurred by the Board shall be assessed against the applicable Unit owner. This Section shall not apply to Declarant.

3.11 **Nuisance.** No noxious or offensive activity shall be carried on upon the Property or in or upon any Unit, nor shall anything be done or placed thereon which may be or become a nuisance, or cause unreasonable embarrassment, disturbance or annoyance to other Owners or Occupants in their

enjoyment of their Unit, or in their enjoyment of the General Common Elements. Without limiting the foregoing, no horns, whistles, bells or other sound devices, except security devices used exclusively to protect the security of the Property and Units, shall be placed or used upon any Unit.

3.12 **Hunting; Fireworks**. No hunting or discharge of firearms shall be permitted on any portion of the Property. No discharge of firecrackers and other fireworks shall be permitted on any portion of the Property; provided, however, the Board shall have no obligation to take action to prevent or stop such discharge.

3.13 **Storage of Firewood; Exterior Fires**. The cutting and storage of firewood and flammable materials by an Owner is prohibited on the Property. Exterior fires are prohibited on the Property, including charcoal grills, outdoor chimneys (or chimeneas), wood or similar cooking smokers, or fire pits. The burning of trash, organic matter or miscellaneous debris shall be prohibited on the Property. Propane powered grills are allowed but must be kept under a grill cover when not in use.

3.14 **Restrictions Regarding Exteriors**. No changes, modifications or improvements may be made to the exterior of any Unit without the approval of the Board. The following items are prohibited from being attached, stored or erected in any manner by an Owner on the Common Elements: bicycles or any other recreational device (including kayaks, ski equipment or playground equipment), trash containers, decorative flags, banners, placards, pictures, screens, outside clothing lines or other outside clothes drying or airing facilities, string lighting, or any similar items. For each violation of this Section, the Association may assess a penalty of \$100.00 per violation in addition to the other remedies set forth in this Declaration after notice and a reasonable opportunity to cure.

3.15 **Satellite Dishes**. Unless approved in writing by the Declarant or Association, no exterior radio, television, microwave or other antenna or antenna dish or signal capture and distribution device shall be permitted outside any Unit, on the exterior of the Building and/or within the LCE-Deck. Declarant or the Association may install one or more exterior radio, television, microwave or other antenna or antenna dish or signal capture and distribution device for the Building.

3.16 **Outdoor Lighting**. No additional outdoor lighting fixtures shall be allowed without Board approval and even then, shall not cause a nuisance to any adjacent Units. All interior lights shall be designed to avoid emission of glare or unreasonable brightness from any window, door or other opening in the Building.

3.17 **Taxes**. All taxes, assessments, and other charges of the State of Wyoming, any political subdivision, special improvement district, or any other taxing or assessing authority, shall be assessed against and collected on each Unit separately, not on the Property as a whole, and each Unit shall be carried on the tax records as a separate and distinct parcel.

3.18 **Mortgage**. Each Owner shall have the right to mortgage or otherwise encumber his/her Unit, however, no Owner shall attempt to or shall have the right to mortgage or otherwise encumber the Common Elements or any part thereof except the undivided interest appurtenant to his Unit. Any mortgage or other encumbrance of a Unit shall be subordinate to this Declaration, and in the event of foreclosure, the provisions of this Declaration shall be binding upon any Owner whose title is derived through the foreclosure, whether it be by private power of sale, judicial foreclosure or otherwise.

3.19 **Subdivision and Inseparability**. No Unit may be subdivided or partitioned into two or more Units. All rights appurtenant to Unit ownership are inseparable and pass with title to each Unit.

3.20 **No Partition.** The Common Elements are owned in common by all the Owners and no Owner may bring any action for partition thereof.

3.21 **Easement for Repair, Maintenance and Emergencies.** Some portions of the Common Elements are or may be located within the Units or may be conveniently accessible only through the Units. The Association shall have the irrevocable right to access each Unit from time to time during reasonable hours and with prior notice to the Owner or Occupant, as may be necessary for the maintenance, repair, or replacement of any portion of the Common Elements located therein or accessible therefrom. The Declarant also retains the irrevocable right to access each Unit to make emergency repairs necessary to prevent damage to the Common Elements or to any Unit. The Association shall have a master key to all Units for access in accordance with the rights granted in this Section.

3.22 **Domestic Animals.** No more than 2 cats, dogs or other domestic animals which are normally kept and maintained indoors may be kept in a Unit without the approval of the Declarant. If any pets are caught or identified chasing or harassing wildlife or people, or causing a nuisance, the Declarant shall have the authority to penalize the owner of such animal not more than \$100.00 for a first offense, and \$200.00 for a second offense. The Declarant has the authority to impound the animal after a third offense and ban that animal from the Property, and the owner of such impounded animal shall be solely responsible for all impoundment costs and waives all recourse against Declarant.

3.23 **Mineral Rights.** The Association shall hold all mineral rights, if any, for the Property.

#### **Article IV - Membership and Voting Rights**

4.1 **Function of the Association.** The Association shall be the entity responsible for management, maintenance, operation and control of the homeowner's association created herein. The Association also shall be the primary entity responsible for enforcement of the Governing Documents. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of Wyoming.

4.2 **Membership.** Every Owner of a Unit, by virtue of their purchase of a Unit or the acceptance of a deed therefore, shall be a Member of the Association. Membership shall be appurtenant to, and may not be separated from, Unit ownership. The respective voting percentages allocated to each Unit are set forth in **Exhibit A**. When more than one person or entity holds an interest in a Unit, all such persons or entities shall be Members; however, the vote for such a Unit shall be exercised collectively as those Members determine among themselves. In no event shall more than one vote be cast with respect to any Unit. The membership rights of an Owner that is not a natural person may be exercised by any officer, director, partner or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association except where such privileges may be restricted by the Rules and Regulations.

4.3 **Voting.** The Association shall have one class of membership. The total number of votes that may be cast by all members of the Association equals the total number of Units and each Owner shall be entitled to vote in the percentages shown on **Exhibit A** attached hereto. All votes of the Members shall take place at an annual or special meeting of the Members or via written ballot. A Member may vote by proxy so long as notice of such proxy designation has been received by the Association. Voting rights as to each Unit shall vest upon transfer of a deed of conveyance of a Unit to an Owner.

4.4. **Notice of Meetings.** All Members shall be sent notice of meetings (except emergency meetings) at least 20 days in advance of the meeting.

4.5. **Quorum; Member Action.** Unless otherwise set forth herein, all Member action taken under this Declaration shall be taken in the following manner: a quorum of the Members shall be present at a meeting of the Members and/or in the case of a ballot vote, a quorum of the Members shall have timely submitted a completed ballot. A quorum of the Members means the presence of (or submission of ballots by) Members holding at least 75% of the voting rights in the Association. If the required quorum is not present at a meeting, another meeting may be called and the required quorum at the subsequent meeting shall be reduced to Members holding at least 30% of the voting rights in the Association (there shall be no reduced quorum requirement for ballot initiatives). If a quorum is obtained, the Members may take action by a vote of the Members holding a majority of the voting rights in the quorum.

4.6. **Suspension of the Right to Vote.** If any Owner or Occupant violates any of the provisions of this Declaration, the Bylaws or the Rules and Regulations of the Association, the rights and privileges of such Owner, including but not limited to the right to vote, may be suspended by the Board.

#### **Article V-Association Management**

5.1. **Board of Directors.** The affairs of the Association shall be managed by a Board of Directors. The Board shall be comprised of 3 Owners. Prior to Declarant Termination, Declarant shall control 2 of the 3 Director seats on the Board including the power of appointment.

(a) The Members shall have the right to elect the Directors at any annual meeting of the Association.

(b) A Director who sells his Unit shall be automatically removed from the Board. In such a case, the Members shall have the right to elect a replacement Director at a special meeting of the Association.

5.2. **Power of the Board.** The Board shall have the powers enumerated in this Declaration, the Bylaws, and those otherwise provided to boards of directors for nonprofit corporations by the laws of the State of Wyoming.

5.3. **Responsibilities of the Board.** The Board shall maintain and operate the Common Elements for the benefit of the Owners and administer all aspects of the business of the Association. The Board may hire or otherwise engage a management company to manage its affairs or any part thereof, as it deems advisable for the operation of the Property.

#### **Article VI--Assessments**

6.1. **Budget.** At least 30 days before the beginning of each fiscal year, the Board shall prepare a budget of the estimated Common Expenses and reserves for the coming year, including any contributions to be made to a reserve fund. The budget shall also reflect the sources and estimated amounts of funds to cover such expenses, which may include any surplus to be applied from prior years,

any income expected from sources other than assessments levied against the Units, and the amount to be generated through the levy of Base Assessments, Special Assessments and Specific Assessments.

Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time the Association may retroactively assess any shortfalls in collections.

6.2 **Creation of the Lien and Personal Obligation of Assessments.** Each Owner, by acceptance of a deed, whether or not it shall be stated in such deed, is deemed party to this Declaration and agrees to pay to the Association: (1) Base Assessments, (2) Special Assessments for capital improvements, and (3) Specific Assessments for damages caused by an Owner or Occupant (collectively "Assessments"). All Assessments together with interest, costs, and reasonable attorneys' fees as set forth below ("Costs"), shall be a charge and a continuing lien upon the Unit assessed. Assessments and Costs shall also be the personal obligation of the Owner. The personal obligation for delinquent Assessments and Costs shall not pass to successors in title unless expressly assumed in writing by the successor; however, the Assessment and Costs amounts shall attach to the Unit regardless of whether or not a lien is filed with the County Clerk.

6.3 **Purpose of Assessments.** The Assessments shall be used exclusively to promote the health, safety, and welfare of the residents in the Property and for the improvement and maintenance of the Common Elements.

6.4 **Base Assessment.** The Base Assessment shall be based upon advanced estimates of the costs and expenses arising out of or connection with the Association's (i) administration and management of the Property, (ii) repair, maintenance and operation of the Common Elements, (iii) premiums for insurance policies required or permitted to be maintained under this Declaration, (iv) legal and accounting fees, (v) creation and maintenance of a reserve fund for periodic maintenance, repair and replacement of the Common Elements, and (vi) activities authorized by the Board. Base Assessments shall be allocated amongst the Owners in accordance with the Assessment Percentage as set forth in **Exhibit A.**

The Board may revise the budget and adjust the Base Assessment from time to time during the year. However, any increase in the amount of the Base Assessment shall be limited to a 20% increase from the previous year.

6.5 **Special Assessments.** The Association may levy Special Assessments to defray, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement within the Common Elements, provided that such Assessment shall be approved by Owners holding at least 50% of the voting power in the Association. Special Assessments may be amortized for up to a twelve-year period, provided that the capital improvement work commences within one year of the initial vote approving the Special Assessments. Upon the sale or transfer of any Unit, that Unit's pro-rata share of the outstanding balance of a Special Assessment shall be paid in full at closing or transfer.

6.6 **Individual Assessments.** The Board may levy Individual Assessments against one or more specific Owners for expenses related to that Owner or those Owners' Units. Individual Assessments may

also be levied to remedy any violation of this Declaration, subject to prior notice and at least a 30-day opportunity to cure.

6.7 **Other Assessments.** The Board may levy Assessments against one or more Unit Owners for costs associated with the repair, maintenance and replacement of the Limited Common Elements.

6.8 **Capital Reserve Account.** The Board shall prepare and review at least once every 5 years a reserve budget for the Common Elements and other assets of the Association. The budget shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board may include in the Common Expense budget, as appropriate, a capital contribution to fund reserves in an amount sufficient to meet the projected need with respect to both amount and timing by annual contributions over the budget period.

6.9 **Rate of Assessment.** Base and Special Assessments will be allocated among the Owners in accordance with their Unit's Assessment Percentage as set forth in **Exhibit A**. Assessments may be collected on a monthly, quarterly, or annual basis.

6.10 **Establishment of Assessment Due Dates; Estoppel Certificate.** No Assessment shall be due until at least 30 days after approval. Notice of the Assessments shall be sent to every Owner. The due dates shall be established by the Board. The Association shall, upon demand, and for a nominal charge, furnish an estoppel certificate signed by an officer of the Association setting forth whether the Assessments on a specified Unit have been paid.

6.11 **Effect of Nonpayment of Assessments; Remedies of the Association.** Any Assessment or fine not paid within 30 days after the due date shall bear interest from the due date at the rate of 18% per annum. Additionally, if an Owner fails to pay an Assessment within 60 days after it is due, the Board shall send notice of such delinquency to the delinquent Owner and the Owner's mortgagee and guarantor of the Owner's mortgage, if any, at the address provided in available public records, and, in its sole discretion, may choose to sue an Owner to recover the amount owed or may foreclose a lien against the Unit to recover the amount owed. The Board's failure or delay in sending the delinquency notice described in this section shall in no way act as a waiver to the Board's available remedies, nor shall it waive, extend or modify an Owner's obligation to pay required Assessments. Moreover, in sending this delinquency notice, the Board is entitled to rely on public information in the Teton County, Wyoming Clerk's records to determine the appropriate mortgagee and guarantor, and contact information for the same. No Owner may waive or otherwise escape liability for Assessments by non-use of the Common Elements or abandonment of his/her Unit.

6.12 **Subordination of the Lien to Mortgages.** Liens of Assessment and Costs are subordinate to the lien of any mortgage recorded prior to the lien. The sale or transfer of any Unit shall not affect the assessment lien unless it is extinguished in foreclosure.
